

Tech made simple

**Free technology support here at The Acorn GP Surgery
Thursday 20th August**

**Book your 30-minute session with an Age UK Richmond
IT Volunteer between 11am & 12pm, or just drop-in between
12pm to 1pm and get your technology questions answered.**

Connect to Tech is a free service that helps older people make the most of their smartphone, laptop & tablet - whether you're new to technology or keen to develop what you know, we'll guide you through the many benefits of being connected, including using the **NHS** App.

To book please call **020 8744 1965** or email
